

International Baccalaureate® Diploma Programme

International High School Programme in Heidelberg

Are you...

- ... fluent in English?
- ... open-minded, hard-working and interested in global issues?
- ... looking forward to meet and study with people from all over the world?
- ... interested in getting to know a new language and culture while also completing an international high school degree?
- ... planning to study at a top ranking university?

If yes, our IB® Diploma Programme is the perfect choice for you!

The two-year IB® Diploma Programme at F+U's Heidelberg Private School Centre (HPC) is a good way to prepare you for further studies at an international university. Widely acclaimed and recognized by universities worldwide, the

International Baccalaureate® will pave your way into the world's top universities in Europe, the U.S., Canada and other countries, and also entitles you to study in Germany.

The IB® Diploma Programme has an international focus and will teach you to think globally and across boundaries. Taught exclusively in English and on a high academic level, the IB® curriculum includes subjects such as Mathematics, Business Management, Psychology, Biology, English Language and Literature, Spanish or German as a foreign language, along with further training in study skills, essay writing and project work. The programme is rounded off by extensive university and career counseling, which will provide you with the best possible preparation for your future university studies.

International Baccalaureate® Diploma Programme

Admission

To enter the IB® Programme at the Heidelberg Private School Centre, you must

- have completed the 10th grade in your home country with excellent grades
- have a proven level of English (TOEFL® 95 or higher, or equivalent)*
- provide a letter of motivation
- conduct an interview on general knowledge of political, cultural and social topics with the Programme Coordinator

*Students with insufficient knowledge of English can participate in a language course at the F+U Academy of Languages prior to entering the IB® programme.

Accommodation

As an IB® student you will be accommodated in a spacious twin room with en-suite shower/toilet and internet access in the F+U Boarding School, which is located in the same building complex as the HPC. The F+U Boarding School's services include

- intensive round-the-clock care by pedagogically trained staff, including weekends and holidays
- personal supervision & study support
- full board
- leisure activities

...as well as a canteen, lounge, library, gyms, study and community rooms, plus lots of other facilities you can use as F+U Boarding School resident.

Location

Picturesque Heidelberg is a clean and safe city with lots of leisure, shopping, and entertainment facilities. It is also the seat of Ruprecht Karls University, Germany's oldest and best university. Heidelberg boasts an international, warm atmosphere, welcoming people from all over the world.

About us

The Heidelberg Private School Centre (HPC) is part of the F+U group of companies and has a long-standing experience in high-quality A-Level education. Founded in 1980, the F+U group of companies includes general educational and vocational schools, state-recognized colleges as well as continuing, professional and higher education programmes in more than 20 locations around the world, making it one of Germany's largest private education providers.

The Heidelberg Private School Centre is an officially accredited IB® World School (www.ibo.org) and offers the IB® Diploma Programme for students aged 16-19.
